

Title of the activity : Collaboration of Sticks

For who : 18+

Duration : 10+ min

Number of players : 5+

Place : Open – Closed spaces

Characteristic :

- Improve team perception
- Build-up team soul

Type of game : Team Building

Educational interest :

- Team motivation and collaboration

Materials :

- Long Sticks, 10+ balls in different sizes, a cage with full of holes, a stopwatch

Goal : People form a few teams. The goal of each team is to take as many balls as possible out of the cage in a limited time (2 min is optimum)

Method :

- 1. Put the balls in a cage :** Find as many balls as possible and put them all in a cage. Pay attention to the cage to have so many holes on to position the sticks
- 2. Grab the sticks to hold the balls :** Grab sticks to hold the balls and carry them to the top. Keep in mind that only one ball can be taken out in each trial.
- 3. Carry the balls out of the cage :** Carry as many balls as possible out of the cage. Each team has a limited time so the team who took most balls out, wins the game
