

Title of the activity : corporeal shadow theater

For who : 12+

Duration : depend

Number of players : 2+

Place : inside

Characteristic :

-cheap

- transportable

Type of game : theater

Educational interest :

-awareness about discrimination, prejudice and others values that you want to speak about

Materials :

- white sheet, projector

Goal : speak about discrimination, prejudice through shadow theater

Method : To project silhouette shadow on a screen. Create a scenario and play it behind the screen. You can speak about different topics that you want to share or defend. You need someone who will guide people to place and act.

The shadow on the white sheet lets the imagination of viewers grow and allows them to interpret themselves certain facts , like the old silent movies.
