**For who :** +7  
**Duration :** 30 min  
**Number of players :** not specified  
**Place :** indoor/outdoor  
**Characteristic :**  
- inspirational  
- creative

**Type of game :** Art and crafts

**Educational interest :**  
-to stimulate creativity

**Materials :**  
- cardboard pieces  
- markers  
- colored sand, glue and brushes

### Goal :

To create different drawings under a specific topic or without any imposed thematic.

### Method :

First the participants will draw a sketch of their final drawing result. After that they will use glue to paint parts of the drawing and add sand of different colors. They must use one color at a time, so that the colors will not mix together.
