

Title of the activity : Salt and Pepper

For who : 8+

Duration : 15 - 20 minutes

Number of players : 10 persons (even number)

Characteristic : helps a group learn about how to work together, how to be concentrate, to active, to be patient ect.

Type of game : Teambuilding Activity

Educational interest :

Team Building Activities

Communication Skills

Materials :

- Tape, a pen, a small piece of paper for each employee and a list of well-known pairs (think peanut butter and jelly, Mario and Luigi, or salt and pepper).

Instructions

1. Write one half of each pair on the sheets of paper (Mario on one piece, Luigi on another, and so on).
2. Tape one paper to each person's back, then have everyone mingle and try to figure out the word on their back.
3. The rule: they can only ask each other yes or no questions. Once they figure out their word, they need to find the other half of their pair.
4. When they find each other, have them sit down and find three things they have in common while the rest of the team continues. winning.
